Item 1. If the entity is a limited partnership that is not a limited liability limited partnership, its name must contain the words “limited partnership” or the abbreviation “LP” or “L.P.” If the entity is a limited liability limited partnership, its name must contain the words “limited liability limited partnership” or the abbreviation “LLLP” or “L.L.L.P.” The name must also be distinguishable on the records of the Department from other entities that are registered with the Department and from any name that has been reserved or registered with the Department. You can preliminarily check the availability of an entity name using the Department’s corporate records database, which is publicly available through the Department’s website, but a final determination of name availability cannot be guaranteed until the document has been received, examined, and filed by the Department.

Items 2 & 3. Enter the name of the entity’s registered agent and the email address of that agent. Annual report forms, notices and other official communications are directed to the entity’s registered agent, so it is important to keep this information current. The entity may not name itself as its own registered agent.

Item 4. The entity must have a registered agent located at a registered office in Wisconsin. The registered office address must be identical to the registered agent's business office and must be an actual physical location with a street address, and not solely a P.O. Box, mailbox service, or telephone answering service. Provide the street number and name, city and ZIP code in Wisconsin.

Item 5. Enter the address of the principal executive office of the limited partnership. The office need not be located in Wisconsin.

Item 6. Specify whether the limited partnership is a limited liability limited partnership.

Item 7. Print the name and address of each general partner. Each general partner must sign the document.

Item 8 (optional). Attach any further provisions (optional) on additional pages labeled "Item 8," "Item 9," and so forth in sequential order. Additional provisions may contain statements not addressed in Items 1-7 so long as they are not inconsistent with the provisions of sections 179.0105(3) and (4) of the Wisconsin Statutes, which set forth requirements and restrictions on the content of partnership agreements for entities organized under chapter 179.

Drafter name. If the document is executed in Wisconsin, section 182.01(3) of the Wisconsin Statutes requires that it include the name of the drafter. If the document is not executed in Wisconsin, so indicate in the space provided for the drafter's name.

Optional delayed effective date/time. This document may declare a delayed effective date and time. The effective date/time may not be before, or more than 90 days after, the document is received by the Department of Financial Institutions for filing. If no effective date/time is specified, the document will take effect at the close of business on the date it is received for filing by the Department.
