

Four-Year Notary Public Commission Application Instructions

You may NOT perform notarial acts until you are notified by the Department of Financial Institutions that the commission has been issued or reissued in the case of a reappointment.

General Requirements:

In order to become a Notary Public under Wisconsin [Statutes chapter 140](#), you must be a resident of the United States, 18 years of age or older, have at least the equivalent of an eighth grade education, and pass the online Notary Public exam (<https://dfi.wi.gov/apps/NotaryTutorialExam>) with 90% or better (the test can be repeated). In addition, under current law, a person convicted in state or federal court of a felony, **OR** a person convicted of a misdemeanor involving fraud, forgery or similar, may not be commissioned as a notary public for the State of Wisconsin unless the offense has been expunged or pardoned.

Instructions for the Four-Year Notary Application

1. Indicate the expiration date of your most recent Wisconsin notary commission unless this is your first commission.
2. If you had a previous notary commission in Wisconsin and your name has changed, enter your former name(s).
3. Enter your current full legal name (first, middle, last and suffix (Jr, Sr, if applicable)).
4. Enter your complete mailing address. Use "In Care Of" only if the mailing address is a business address.

6. Enter your date of birth.
7. Enter your phone number with the area code. If you have an extension, enter that after your phone number.
8. Affix a clear impression of your notary seal/stamp in the space provided. (If the impression/stamp leaves an unclear mark, affix additional samples on a separate white sheet of paper and include the paper with your application.).
9. Sign with your official notary signature using the exact spelling as shown on your notary seal/stamp.
10. Enter your name exactly as signed (and as the name appears on the seal/stamp).
11. Answer "Yes" or "No." Attach an explanation if you answered "Yes".
12. Read the statement and apply your original signature.

Please keep in mind that when performing a notarial act you must always sign your name exactly as set forth on your seal/stamp. An application submitted with an un-clear seal/stamp impression or with additional non-notary seals affixed, cannot be accepted for filing and will be returned. Be certain your seal/stamp impression is still totally clear and legible. If necessary, affix the impression on a separate piece of paper and attach it to your application. Do not affix other seals/stamps (those showing county) on the application form, as these seals/stamps are not considered "official" notary seals, and therefore, may not be affixed on the application.
