Supplemental Financial
Statement Information

This form is for the use of licensed Wisconsin **adjustment service companies, collection agencies and currency exchanges.**

Purpose: Wis. Stat. s. 224.35(8)(c) requires licensees to upload their fiscal year-end financial statements to the Nationwide Multistate Licensing System (NMLS) within 90 days after the completion of their fiscal year. A completed Supplemental Financial Statement Information form must accompany those financial statements so the Wisconsin Department of Financial Institutions – Division of Banking (division) can determine if the licensee is complying with the division’s financial responsibility requirements.

Instructions: Complete this form with financial information obtained from the fiscal year-end financial statements that will be uploaded to NMLS. The completed form can either be uploaded with the financial statements or separately uploaded under the “Additional Requirements” header in the Document Uploads section of the Company Form (MU1). The completed form and the required financial statements must be uploaded to NMLS within 90 days after the licensee’s fiscal year-end.

Notice: This form is required under Wis. Stat. s. 224.35(8)(c). Refusal to provide this information may result in the revocation of a license. Failure to complete this form completely and accurately may result in the revocation of a license and any other penalties as provided by law. This document can be made available in alternate formats upon request to qualifying individuals with disabilities.
