APPLICATION INSTRUCTIONS

Purpose: A completed Community Currency Exchange License Application should be submitted to the Department of Financial Institutions – Division of Banking (“division”) for consideration of licensure. Upon the filing of such application the division shall investigate the relevant facts, and if the division finds that the character, general fitness, and financial responsibility of the applicant, including key officers, members, partners, or owners, warrant the belief that the business will be operated in compliance with Section 218.05, Wis. Stats., the division shall issue a license.

Notice: This form is required under Section 218.05, Wisconsin Statutes. Refusal to provide this information may result in the denial of a license. A) Surety Bond

The applicant must provide a surety bond in the amount of \$5,000 per proposed licensed location. The bond form is found on the Department of Financial Institutions' website, dfi.wi.gov, by selecting Financial Services and then Licensed Financial Services Applications and Forms. The bond must:

- not reference a street address.
- identify the exact name of the applicant.
- identify all trade names or DBA (doing business as) names that the applicant uses. If using more than one DBA, please call our office for further instructions.
- identify only the fictitious name of the applicant if the Corporations Section of the Wisconsin Department of Financial Institutions required the applicant to obtain a fictitious name.
- be the original surety bond. The original power-of-attorney form must also be submitted with the bond.
- be signed by an officer/owner/member/partner whose signature is witnessed or sealed.

Should you choose not to use the available bond form, the submitted bond will be reviewed by legal staff to determine if it meets with the division's approval. The applicant shall be listed as the obligor, and the bond shall run to the state of Wisconsin and shall be for the benefit of any creditors of the community currency exchange for any liability incurred for any sum due to any payee of any check, draft or money order left with the community currency exchange for collection, and also for any penalties that may be imposed under Section 218.05, Wis. Stats. The provisions of an acceptable bond will:

- cover all locations licensed under Section 218.05, Wis. Stats.
- be in the required amount.
- not allow for a decrease in the bond amount without 30 days written notice via certified mail to the division.
- have acceptable issue and effective dates.
- be continuous until cancelled.
- list examination costs as a preferred claim.
- require that within 10 days of the receipt of any claim, the surety inform the division in writing of the receipt of the claim.
- require a minimum of 60 days written notice via certified mail of the cancellation of the bond.
- indicate that written notice of claims may be filed for a minimum of four years after date of cancellation.
- require that surety pays or denies claim within a maximum of six months after receipt of claim.
- require that the principal amount of the bond shall apply separately to each year in which the bond is in effect.
- identify the name and address of claims agent.

B) Financial Statements

An internally prepared balance sheet and income statement must be submitted for the applicant. Audited financial statements should also be submitted if the applicant is audited by a certified public accountant on an annual basis.

The financial statements that are submitted to the division must:

- be prepared according to Generally Accepted Accounting Principles using accrual basis accounting.
- be for the legal entity that is applying for the license (the parent's financial statements are not acceptable).
- be consolidated if the applicant has subsidiaries.
- show a minimum tangible net worth of \$5,000 and positive net working capital (current assets – current liabilities).
- be dated no more than 90 days prior to the date this application is received by the division.

The following information must be attached to the financial statements:

- an itemization of the "Other Assets" category (if the balance sheet includes an "Other Assets" category)
- documentation that verifies the cash balance listed on the balance sheet (this only needs to be submitted if cash accounts for more than 20% of the total assets)

- an explanation of how the applicant will maintain a tangible net worth of \$5,000 at all times (this only needs to be submitted if the applicant's equity is at or near the minimum amount required by the division)

When evaluating a financial statement, the division typically discounts intangible assets; receivables from officers, stockholders, and other related parties; employee advances; receivables over 90 days past due; and any other assets of questionable value.

If the applicant is a sole proprietorship, provide a personal financial statement dated no more than 90 days prior to the date this application is received by the division.

If the applicant is a partnership, each partner must submit a financial statement dated no more than 90 days prior to the date this application is received by the division.

C) Insurance Policy

The applicant must provide a complete copy of the insurance policy required by Section 218.05(6), Wis. Stats. The policy submitted to the division must:

- provide each community currency exchange location with coverage of at least \$10,000 for burglary, larceny, robbery, forgery, and embezzlement.
- have deductibles for burglary, larceny, robbery, forgery, and embezzlement that do not exceed 25% of the limit of insurance. For example, if the policy provides \$10,000 in coverage for burglary, the deductible for burglary cannot exceed \$2,500.
- be issued by an insurer authorized to do business in Wisconsin.
- identify the effective date and the expiration date of the policy.
- either identify the address of each location that the policy provides coverage to or must state that the policy provides coverage to all locations where the insured conducts business.
- identify the name of the applicant.

D) Fees

\$600 must be submitted for each location where community currency exchange business will be conducted. The \$600 fee consists of a \$300 license fee and a \$300 nonrefundable investigation fee.

Make checks payable to the Department of Financial Institutions.

Calculate the fee due as follows:	
a) # of locations to be licensed	# _____
b) Multiply by \$600	X \$600
c) Total Fee Due	\$ _____

E) Certificate of Good Standing (if applicable)

If the applicant is organized or incorporated in a state other than Wisconsin, provide the division with a certificate of status/certificate of good standing from the state where the applicant is organized or incorporated. The status/certificate should be dated within the previous 90 days and reflect the correct name and the date of organization or incorporation.

F) Criminal History Report

A criminal history report must be submitted for each individual who owns 10% or more of the applicant and for each key officer, key member, or partner of the applicant. Key officers include, but are not limited to, the chief executive officer, chief operating officer, chief financial officer, president, executive or senior vice president (or the highest-level vice president if there is no executive or senior vice president), secretary, and treasurer. The criminal history report must be dated within the previous 90 days and must be obtained from the state

police/Department of Justice located in the owner's/officer's/member's/partner's state of residence. Reports obtained from third-party background check providers will not be accepted.

G) Officer/Owner Resumes

Submit a resume for each individual who owns 10% or more of the applicant and for each key officer, key member, or partner of the applicant. The resume should include a summary of educational and employment experiences, the applicable dates of experience, positions held, name of company, and a description of duties.

H) Business Plan

Submit a business plan if the applicant is not yet in operation or a detailed description of the mode of operations if the applicant is currently operating. A business plan should include a description of the applicant's proposed products and services, its management team, and its records.

I) Floor Plan Diagram

If the applicant will be sharing space with other businesses, submit a floor plan diagram of that shared space. The floor plan diagram should show the rooms where the community currency exchange will be located, the rooms where other businesses are located, the outside entrances to the building, the doors (between rooms) that can be locked and those that cannot be locked, and where the records of the community currency exchange will be maintained.

CHECKLIST (Pages 12 – 13)
